U.S. Department of Veterans Affairs: 2014 TCF List of Locations for VA Careers

How to Find Job Announcements and Apply

VHA offers a designated number of TCF Program positions each year, for 2014 there are 303. Job opportunities are posted at various times in various locations (mid March-September), there is not one set date for job announcements at all locations. Selected locations are listed above, keep an eye out on VA Careers/USAJOBS for specific job postings that will include educational requirements and qualifications to apply. Selected trainees must be on board NLT 9/30/14.

For information on job postings, go directly to the Job Search feature at http://www.vacareers.va.gov/job-search/index.asp. From there you can search by Keyword (i.e., TCF, Pathways Recent Graduate), Occupation or Location.

Selection of participants follows the federal governments Office of Personnel Management (OPM) hiring standards.   Applicants can be hired at the 5 or 7 level (GS-9 and above only for Leadership level trainees), salary tables can be viewed on the OPM website at http://www.opm.gov/oca/11tables/index.asp. Beginning grades can vary across the country and are typically dependent on education level and experience in the field of interest.
